

**WELCOME ABOARD**

a CHAPTER of

*The Heartland Classics Boat Club, a chapter of the Antique and Classic Boat Society (ACBS), is an organization dedicated to the collection, restoration and safe enjoyment of antique and classic boats. Established in 1993, the club's membership is drawn from America's Heartland including Arkansas, Kansas, Missouri, Nebraska, Oklahoma, and Texas. Our membership is comprised of both individuals and families with a real interest in classic boats. Many own one or more classic or antique boats manufactured with aluminum, steel, fiberglass or wood hulls by some of yesteryear's breed of craftsmen.*

Boats from Chris Craft, Century, Carver, Elgin, GarWood, Owens, Penn Yan, Higgins, Riva, Thompson, Correct Craft, Lyman, Elco, Hacker, Yellow Jacket, and fiberglass classics are well-represented among our membership roster.

The goal of the chapter is to promote the preservation and enjoyment of antique, classic and special interest watercraft of all types by:

- Promoting public display and use of our boats.
- Acting as an information and skill resource.
- Providing social activities to members and families.
- Acting as an historical repository for boating related information.
- Providing value with discounts, technical workshops and subject matter experts.

Membership benefits include year round activities for all interests, as well as:

- Simultaneous membership in the Antique and Classic Boat Society with quarterly issues of *The Rudder*, the ACBS national magazine, and an annual Directory of over 15,000 members with handy cross references by boat builder, power, and geographic locations.
- Subscription to Heartland's *Mahogany & Chrome* newsletter.
- Access to a network of answers to questions about classic boats and boat maintenance.
- A winter restoration workshop, spring and summer cruises, and an annual judged show.
